

IC-F27SR Revival Version

PMR446 FM TRANSCEIVER

High Performance, Professional Licence Free Radio

Outstanding audio quality, high performance and strong commercial build quality make the IC-F27SR the ideal licence free radio. Ideal for users in diverse areas such as construction, catering, event management, shopping centres, factories, farms as well as serious outdoor enthusiasts.

Up to 55 Hours of Operating Time

The IC-F27SR features highly efficient circuitry, providing up to a massive 55 hours of operating time* with the supplied BP-299 3150 mAh lithium-ion battery pack. This means it can be comfortably last an entire shift.

* Tx: Rx: Stand-by =5: 5: 90 with power save ON.

Outstanding Audio Quality

800 mW audio output is provided from the large 45 mm speaker meaning the IC-F27SR can deliver loud and intelligible audio even in extremely noisy environments such as a busy shop floor or construction site.

Just Three Main Controls

Transmit button, volume control and channel selector. This simple to use radio is ideal for high turnover environments and shift work where the radio is constantly passed from person to person.

Lightweight, Compact Body

Small size (58 × 186 × 36.5 mm) and lightweight (290 g) makes this transceiver ideal for all users.

Commercial Grade Construction

The IC-F27SR is extremely rugged. It has been tested to 11 categories of environmental military standards for dust protection and water resistance making it ideally suited for outdoor use.

Internal VOX for Hands-free Operation

Built-in VOX function provides convenient hands-free operation, when used with our optional headset adapter cable.

500 mW Output Power

Provides a wide communication coverage.
